

Dear Customers,

Ashfield Mall will be undertaking repairs and maintenance to the ramp leading to the roof from Holden St. Included in this will be a complete repair to the noisy speed humps, damaged concrete on the ramp and the ALDI loading dock along with slab joint sealing to stop water leaks.

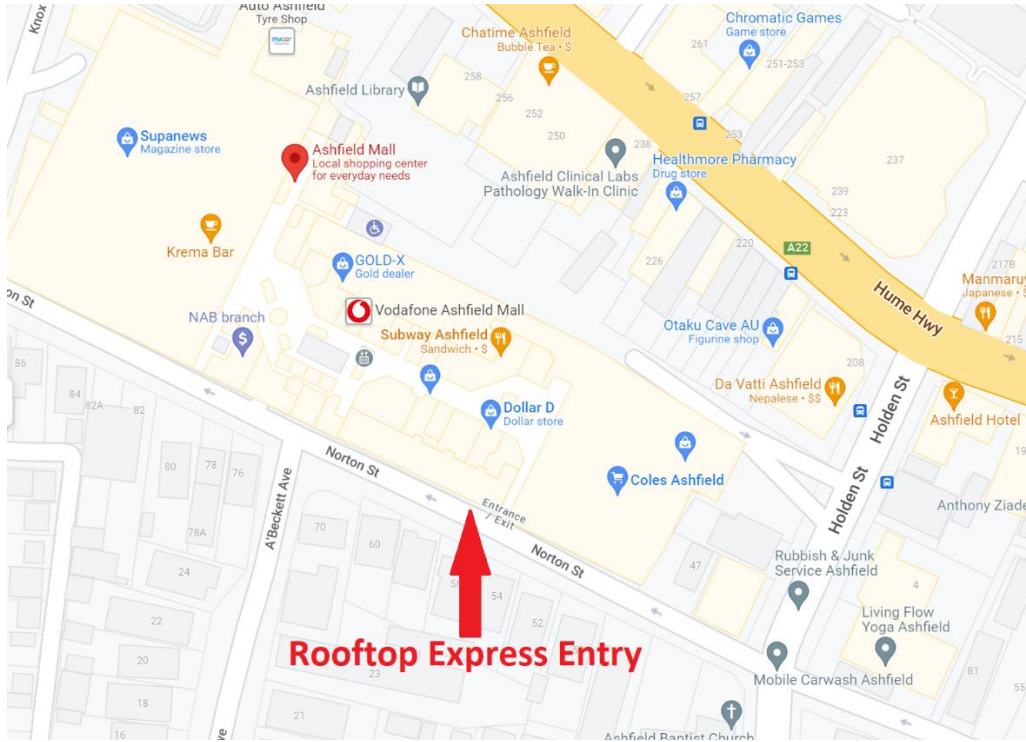

This means that vehicles and pedestrians will **not** be able to use the ramp or access Ashfield Mall from Holden St for a period of 2 weeks (14 days) from the 1st of August 2022 till the 14th of August 2022. This also means the crossing between Ashfield Central, and Ashfield Mall will be closed for 14 days.

The roof top carpark will still be accessible for parking using the Norton St. express ramp entry and exit will be back through the same way, utilizing the level 2 Ashfield Mall Exit.

During the 2 weeks, noisy works will occur during the hours of 7am and 6pm. Fencing + signage will be in place to stop all cars and pedestrians with alternate routes shown.

The below map shows in red where the Entry Ramp is situated for access to the roof for parking.

For any further details regarding the closures please contact Ashfield Mall Centre Management on reception@ashfieldmall.com.

Kind regards,

Centre Management
